Line 510 – Description of Compliance with Service Quality Standards and Consumer Protection Rules:

Premier Wireless, LLC (“Company”) certifies that it has complied and will continue to comply with applicable state and FCC service quality and consumer protection standards. Specifically, Company is required to certify on an annual basis with the Iowa Utilities Board that it is complying with applicable service quality standards and consumer protection rules. Company also monitors and reports certain service quality metrics in accordance with IAC §199-22.6.

Company is also subject to consumer protection obligations for broadband services under federal law. These obligations include, but are not limited to, the following: public disclosure of accurate information regarding network management practices, performance, and commercial terms of broadband internet access services; as a means of providing sufficient information for consumers to make informed choices regarding use of such services, and for content, application, service and device providers to develop, market, and maintain internet offerings as specified in F.C.C. 47 C.F.R. Part 8 §8.3.

In addition, Company has implemented multiple consumer protection measures to protect the consumer against fraud and to protect customer information from improper use and disclosure. These measures include implementing both a Customer Proprietary Network Information policy that complies with FCC rules and regulations and a Red Flag policy that complies with FTC rules and regulations. Both policies require training for all employees which includes authenticating customers, identifying/protecting customer proprietary information, detecting & preventing identity theft, and reviewing Company’s disciplinary process. Company has also appointed a Compliance Officer to oversee both policies and respond to any employee questions. Finally, Company restricts access to customer information to only those employees who need access to perform their job functions.

Line 610 – Description of Functionality in Emergency Situations:

Premier Wireless, LLC (“Company”) certifies that it has followed and continues to follow industry best practices that are designed to allow Company’s voice and broadband services to remain functional in emergency situations. These best practices include maintaining back-up power, utilizing redundancy within our network, and managing traffic capacity.

Back-Up Power:

Company maintains an 8 hour minimum battery back up at all central office and remote office locations. In addition to battery backup, each location has a permanent natural gas or propane generator which is designed to automatically turn on in the event of a power failure. Company also maintains a 6 hour minimum battery back up at some field terminal locations. In the event of a sustained power outage, Company has approximately 20 gas-powered, portable generators to power its field terminal locations and additional portable generators for cell-site locations. Finally, our ONT’s are equipped with 8 hour battery backup. Company also takes proactive measures by conducting monthly testing on generators and performing real-time monitoring of commercial power & generator activity within all levels in its network. All measures above support both voice and broadband network equipment should an emergency situation occur.

Network Redundancy:

Company has utilized industry best practices to build redundancy into every facet of its network. Specifically, every central office and remote office location has redundant fiber routes into its premise. Company utilizes both a fully-redundant regional second-mile and state-wide middle-mile fiber transport ring with all traffic (voice & broadband) able to terminate to multiple locations within the state. Company also maintains redundancy in equipment (voice & broadband) that is designed to automatically “fail-over” in the event one piece of equipment fails, in addition to keeping spares on hand.

Managing Traffic Capacity:

Company’s network is engineered to provide maximum capacity in order to handle excess traffic in the event of traffic spikes resulting from emergency situations. This includes maintaining network capacity (voice & broadband) that is typically not fully utilized under normal circumstances and employing industry best practices to manage traffic flow and capacity in times of unusual network use, such as emergency situations.

Line 1010 – Description of Voice Services Rate Comparability:

The Wireline Competition Bureau's most recent reasonable comparability benchmark for voice services is \$49.51, which includes the federal subscriber line charge ("SLC").

Premier Wireless, LLC ("Company") offers a multitude of different plans throughout its service territory with some plans including text messaging and/or data. In addition to its typical monthly plans, Company also offers "No Contract" plans for different lengths of time ranging from 3 days to 60 days. The best comparison for the two standard deviation test is the 30-day no contract plan which has a local rate of \$35.00. All other comparable plans include some form of text messaging and/or data which would not be a reasonable comparison to the benchmark. Therefore, the Company's pricing of fixed voice services is less than the reasonable comparability benchmark of \$49.51.

2. **Availability of Service.** Service is available to your Device only when it is within the operating range of our communication network, or another carrier's compatible communication system with whom we have entered into roaming agreements (roaming charges may apply). Our Service is subject to transmission limitations caused by atmospheric, topographical, and usage conditions, and may be temporarily refused, limited, interrupted, or curtailed as necessary or appropriate for the proper operation of the Service. Coverage maps are available online at: <http://www.iwireless.com/support/coverage.aspx>. Coverage maps are only estimated; actual service coverage and quality may vary. Within coverage areas, factors - including network changes, traffic volume, service outages, technical limitations, signal strength, your equipment, terrain, structures, foliage, weather and other conditions may interfere with service quality and availability, including the ability to make, receive and maintain calls and to send and receive data & messages.

3. **Roaming.** Your Device may connect to another service provider's network ("Roaming") even when you are within the IWS coverage area. Check your Device to determine if you are Roaming. Depending upon your Service Plan, there may be extra charges (including long distance, tolls, data usage) and higher rates for Roaming usage. You must use your Device predominantly within the IWS-owned network coverage area. We may limit or terminate your Service without prior notice if you no longer reside in an IWS-owned network coverage area, use your Device predominantly outside the IWS-owned network coverage area and/or if a substantial portion of your voice and/or data usage is Roaming.

4. **Wireless Device, Numbers and E-mail Addresses.** IWS is not responsible for any defects, acts, or omissions by your Device manufacturer. You do not have any rights to any number, e-mail address or other identifier we may assign to your Device or account. We may change your number assignment from time to time by giving you notice of the change. You may not modify, change or transfer any of these, except as we allow or as allowed for by law. You may transfer your number from another carrier to IWS or from IWS to another carrier, provided however, we cannot guarantee that phone numbers transferred to or from us will be successful. If an

authorization is made to transfer your number away from IWS, it will be considered as a request to terminate your Service.

5. Your Device & Compatibility with Other Networks. Your Device may not be compatible with the network and services provided by another service provider. You may buy a Device from someone else, but it must be compatible with, and not potentially harm our network. Some IWS features will be available only on Devices purchased from us. At times we may remotely change software, systems, applications, features or programming on your Device without notice to address security, safety or other issues that impact the IWS network or your Device. These changes may modify your Device and may affect or erase data you have stored on your Device, the way you have programmed your Device, or the way you use your Device. We may offer you changes to systems, applications, features or programming remotely to your Device; you will not be able to use your Device during the installation of the changes even for emergencies.

6. Use of Service/Prohibited Uses. You must comply with all laws and regulations while using the Service. Service cannot be used (a) to send messages that are illegal, threatening, or fraudulent, (b) in a way that could adversely affect our customers, network, or reputation, (c) for solicitation via voice, text, or otherwise, (d) to transmit any virus, worm, or malicious code, and/or (e) in any way that is prohibited by the terms of this agreement. You agree not to resell or otherwise subcontract the Service (whether for profit or otherwise) or to use your Device or the Service for any unlawful or abusive purpose or in such a way as to create damage or risk to our business, reputation, employees, facilities, third parties or to the public generally. You may not use or assign the number to any other SIM Card. Programming another number into the SIM Card shall be a breach of this Agreement, and shall give IWS the right to terminate this Agreement and pursue other remedies available by law. You are responsible for ensuring that your Device is technically and operationally compatible with our communication system at all times, and that your Device conforms to applicable Federal Communications Commission (FCC) rules and regulations.

7. Protection of Our Network and Services. We can take any action to, including but not limited to termination of Service or barring your Device from access to other networks in order to: (a) protect our network, our rights and interests, or the rights of others; (b) optimize or improve the overall use of our network and services; and/or, (c) prevent usage that is deemed harmful or otherwise adverse.

8. Term. (a) This Agreement begins on the date Service is activated to your Device and shall continue for the number of full months applicable to the service plan selected (the "Contract Term") or until terminated in the manner provided herein. (b) Regardless of your plan, all termination requests must be in writing and may take up to 30 days to process. If customer has elected a "No Contract" plan, Service is provided on a month-to-month basis or shall continue for the number of days purchased according to the terms thereof. Inactivated Refill Pins will expire in 180 days from date of purchase if they are not used by that time.

9. Early Termination of Contract Term. IWS reserves the right to terminate this Agreement and any Services hereunder at any time upon thirty (30) day notice. If you select a plan with a Term longer than one month, you understand you have been provided a special rate and/or IWS has incurred costs in exchange for your agreement to subscribe for the initial Term. If you attempt to terminate this Agreement prior to the end of the Term you will breach this Agreement, and in which event we will either (a) accept your termination request effective 30 days after receipt provided you pay us a cancellation fee of \$350.00 per line prorated per month remaining on the Term (not to exceed Three Hundred Fifty Dollars (\$350) per line); or (b) if permitted by law, not accept your attempted termination and seek all damages available to us as a result of your breach. Customer agrees that any termination fee may be deducted from their deposit.

10. Suspension Or Termination of Services. IWS shall have the right to modify, suspend or terminate your Service, without prior notice; including, but not limited to: (a) breach of the agreement, (b) reselling our Service, (c) using your Service for an illegal purpose, (d) providing false information, (e) modifying a Device from its manufacturer intent, (f) failure to use Service

after an extended period of time, (g) attempt to transfer Service without IWS' consent, (h) violating any provision of this Agreement, (i) using your Service in excessive amounts detrimental to IWS' network and taking any action which harms our network, (j) using your Service for spam or engage in other abusive messaging and/or (j) any misrepresentation or breach of any obligation to IWS.

11. Modification of Agreement. IWS may modify the charges for its Service or modify these terms and conditions at any time upon prior notice to you. Customer may, upon receipt of notice of the modification(s), terminate this Agreement in the manner set forth above, provided however that no early termination fee will apply if the charges materially change your rights hereunder, or the cost of Service. Your continued use of the Service after we have given you notice of a modification, shall indicate your consent to such amendment. If we modify such rates and/or terms and conditions and you do not terminate this Agreement within 14 days after such notice is given, you must pay us any additional charges even if you paid for the Service in advance.

12. Modifying Your Monthly Billed Account. You may, upon verbal or written notice to us, modify Service features. You will be charged for Service features on a monthly basis, with any charges for a partial month of feature usage to be determined on a prorated basis. Unless you have selected a special promotional rate plan or accepted promotional handset pricing, you may upon verbal or written notice to us, and payment of transfer fee (if any) assessed by us, change to another rate plan beginning with the following billing cycle. If we allow you to temporarily suspend your account, however, the Term may be extended by the length of the temporary suspension, at our option.

13. Deposits. We may require a deposit (in which you grant us a security interest) to secure your payment of all amounts when due. Unless required by law, IWS will not pay interest on any deposits. The amount of your deposit may be increased upon reevaluation of your usage and credit. You may either provide us such increased deposit or terminate this Agreement, in which case, any cancellation fee will be waived. Customer may request IWS Credit Department reevaluate Deposit

requirements after one year of Service. You must promptly pay your monthly billing statement, even if you have given us a deposit. If this Agreement is terminated for any reason, any deposit will be applied to pay any of your charges then or thereafter due. Any remaining deposit or other credit balance on your account will be returned without interest (as allowed by law) to you at your last-known address within seventy-five (75) days after termination. Unless otherwise prohibited by law, (a) any balance of five dollars (\$5.00) or less will not be returned but will be retained by us, and (b) if the Postal Service is not able to deliver the funds to you and returns them to us, title to such funds shall be conclusively deemed to remain ours, and you shall have no further right thereto.

14. Rate Plans. We may offer different rate plans, in different geographic regions, to different customers. Features offered under some rate plans may be limited in comparison to other rate plans. Charges and fees will be applied on a per rate plan basis. Particular rate plans, phones, or the like may be required when participating in promotional offers. Rate plans and any fees associated thereto may change at any time. Any changes made to this agreement or the rate plans are effective when published or when notice has been given. The types of charges you incur will vary depending on the service used and your service plan. All federal, state and local taxes, fees, and other charges that we are required by law to collect may change from time to time without notice. You are responsible for paying all applicable charges during time of activation, refill, or whenever they may apply.

15. Billing and Payment of Charges. You will pay all charges for the Service under this Agreement, including regular monthly Service and Usage charges, according to your rate plan. Usage charges include charges on a per minute/use basis for calls or text messages that are processed through your Device (incoming or outgoing) or through any Number assigned to you. Toll charges may apply for calls you make from our local calling area to points outside our local calling area. Long distance charges and additional charges may be assessed by another service provider for calls that are sent from or received by your Device when you are outside our local calling area ('Roaming' Charges). You will pay any applicable land line

access charges (directory assistance, etc.), and additional calling services offered by us which you use. We bill in full minute increments and any fraction of a minute of usage is rounded up and charged or deducted from any plan minutes at a full minute rate. You will be charged from the time you press the key to send or receive the call (or the call otherwise connects to our system) until the time you press the key to end the call (or the call otherwise disconnects from our system). If we have agreed that you may pay for charges with a credit card account, we will charge amounts due to the credit card account at such time the charges are billed. No additional notice, consent or authorization will be required for such credit card account charges, even if Service has been terminated. To the extent allowed by law, these authorizations are irrevocable. If you have not authorized charges to be made to a credit card account, or if for any reason your credit card issuer does not pay us, payment must be received from you on or before the due date or we may suspend or terminate your Service without prior notice. Payments are past due if not received by us by the date shown on the monthly invoice. Acceptance of late or partial payments, or payments marked "Paid in Full" or similar notations, will not waive any of our rights hereunder nor will it constitute an accord and satisfaction. We may charge you a returned funds fee of thirty dollars (\$30.00) for any check, auto draft, or declined credit card payment returned for insufficient funds. Questions about, or objections to any charges reflected on an invoice must be in writing and must be received by us from you no later than the due date set forth in the invoice or any objection shall be waived. All amounts due to us, including disputed amounts, must be paid to us on or before the due date set forth in the invoice. Interest shall accrue at the rate of 1.5% per month, or a minimum late fee of \$7.50 will apply on any amount not paid when due, whichever is greater.

16. Credit Limits. IWS shall have the right in its sole discretion to establish credit or account spending limits for each customer. Customer accounts will be subject to restriction when the credit limit and/or past due balances are reached, which restrictions may include suspension or termination of Service. Credit terms and account spending limits are subject to change at any time with or without notice.

17. **Account Balance.** Account balances are not transferrable, redeemable for cash, or refundable; unless otherwise noted.

18. **Taxes.** Any applicable sales, use, excise, public utility or other taxes, fees or charges imposed on us as a result of providing the Service to your Device will be added to your charges when imposed or required by law. Although the current amount of taxes and additional costs may be disclosed at commencement of Service, this amount may be subject to change during the Contract Term, and shall not give customer cause to terminate this Agreement. If you are exempt from payment of any such taxes, you must provide us with an original Tax Exempt Document. Tax exemption will only apply from the date we receive the Tax Exempt Document, and you will not receive credit for any taxes already paid by you.

19. **Authorized User.** You agree that any authorized users on your account will be granted access to account information and may be able to make changes to the account. If you share your account password and verification information with someone, they can access and make changes to your account. You are responsible for any changes and subsequent charges associated with those changes. Changes may require a fee or charge and new minimum term.

20. **Default/Remedies.** The following events shall constitute an event of default hereunder: (a) Your failure to pay any sum due to us on due date after the date on which the same shall become due; (b) your breach of any representations made in this agreement; (c) your use of your Device or Service in any way that damages or interferes with IWS or its system; and/or (d) the filing of any proceeding, voluntarily or involuntarily under the U.S. Bankruptcy Code, insolvency, the making of an assignment for the benefit of creditors or appointment of a trustee or receiver, or, in the case of business customers, cessation of business as a going concern (each an "Event of Default"). For multiple phone or account holders, defaulting on any account or line shall automatically constitute defaulting on all phones or accounts. Upon the occurrence of any Event of Default, we may immediately discontinue Service and/or terminate this Agreement without prior notice. In such case, you shall remain responsible for payment of all charges due to us

under this Agreement, which charges (including without limitation, all unbilled installment amounts and early termination fees) will be immediately due and payable. In the Event of Default, you shall also be liable for all costs incurred by us on account of such default and while enforcing any remedy, including the costs of collection fees, attorney's fees, witness fees and court costs, unless collection of such fees are prohibited by law. The rights and remedies granted to us herein shall be cumulative and action on one shall not be deemed to constitute an election or waiver of the other rights of action, or any other right or remedy, to which we may be entitled. If this agreement is terminated because of your default, we may keep any charges or deposits paid by you. If we agree to renew Service to you after we have suspended Service, you agree to pay any reactivation charges, the amount of which will be determined solely by us.

21. Disclaimer of Warranty. Your Device, accessory, or related equipment may come with separate manufacturer warranties. IWS claims no representation of these warranties expressed, implied, or otherwise. We will not be liable to you in connection with (a) the manufacturer warranty, (b) any items missing from the manufacturer, and/or (c) malfunctioning of the phone, accessory, or related equipment. IWS does not authorize anyone to make warranties on our behalf. IWS MAKES NO WARRANTIES REGARDING THE SERVICE OR YOUR DEVICE, WHETHER EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, SUITABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF ANY TYPE OR CHARACTER. ALL SUCH WARRANTIES ARE EXPRESSLY EXCLUDED. STATEMENTS REGARDING DESCRIPTIONS OF THE SERVICE OR YOUR DEVICE, IF ANY, BY US OR OUR AGENTS OR INSTALLERS ARE INFORMATIONAL ONLY AND ARE NOT MADE OR GIVEN AS WARRANTY OF ANY KIND. IWS DOES NOT MANUFACTURE YOUR DEVICE. IN THE EVENT OF ANY DEFECT WITH RESPECT TO A NEW DEVICE PURCHASED FROM US, YOUR REMEDY IS OUTLINED BY THE MANUFACTURER'S WARRANTY. IF YOU PURCHASED USED EQUIPMENT FROM US, YOU MAY RETURN YOUR DEVICE FOR REPLACEMENT OR FULL REFUND WITHIN FOURTEEN (14) DAYS OF PURCHASE IN THE EVENT OF ANY DEFECT. IN

THE EVENT OF ANY DEFECT IN AN INSTALLATION PERFORMED BY US, YOUR SOLE REMEDY SHALL BE REINSTALLATION.

22. **Return Policy.** You may return or exchange your new Device one time during the first fourteen (14) days of Service. This policy applies only to Devices purchased through IWS. Demo, used, refurbished, or special order Devices are not eligible for returns. All returns require a proof of purchase (receipt) and must be in "like new" condition. The Device must be returned with original packaging, battery, accessories and manuals undamaged. You will be responsible for all applicable airtime usage and fees. IWS is not responsible for failure to connect or complete calls, or if information provided to the emergency service is inaccurate. If third parties are involved in connecting a 911 call, IWS does not determine the agency to which your 911 call is routed. A variety of methods may be used to determine the location of your call including GPS, our network, or the street address you provided during the time of activation.

26. Additional Terms for Data Plans and Features/Data Fair Use Policy. The following terms supplement your Subscriber Agreement, and apply to your data plan or feature

("Data Plan"). To the extent any term in this Data Fair Use Policy expressly conflicts with your Subscriber Agreement, the term in this Data Fair Use Policy will govern. a) **Permissible and Prohibited Uses.** Your Data Plan is intended for Web browsing, messaging and similar activities on your Device and not on any other equipment. Except to the extent explicitly permitted by your Data Plan, other uses, including for example, tethering your Device to a personal computer or other hardware are not permitted. Examples of prohibited uses also include but are not limited to: (i) server devices or host computer applications, including continuous Web camera posts or broadcasts, automatic data feeds, automated machine-to-machine connections or peer-to-peer (P2P) file-sharing applications that are broadcast to multiple servers or recipients, "bots" or similar routines that could disrupt net user groups or email use by others or other applications that denigrate network capacity or functionality; (ii) as a substitute or backup for private lines or dedicated data connections; (iii) any activity that adversely affects the ability of other users or systems to use either IWS services or the network-based resources of others, including the generation or dissemination of viruses, malware or "denial of service" attacks; (iv) accessing, or attempting to access without authority, the information, accounts or devices of others, or to penetrate, or attempt to penetrate, IWS' or another entity's network or systems; or (v) running software or other device that maintain continuously active Internet connections when a computer's connection would otherwise be idle, or "keep alive" functions. You cannot use a Data Plan for Web broadcasting, or for the operation of servers, telemetry devices and/or supervisory control and data acquisition devices. b) **Protective Measures.** To provide a good experience for all of our customers, and to minimize capacity issues and degradation in network performance, IWS may take protective measures including temporarily reducing data throughput for a subset of customers who use a disproportionate amount of bandwidth. If your total usage exceeds 10GB (which threshold amount is subject to change) during a bill cycle, we may reduce your data speed for the remainder of that billing cycle. We may also suspend, terminate, or restrict your data session, Data Plan, or Service if you use your Data Plan in a manner that violates this policy, restricts our ability to allocate network capacity among customers, or that otherwise degrades service quality for other

customers. c) **Downloadable Content and Applications.** You may purchase Content and Applications (e.g., downloadable or networked applications, wallpapers, ringtones, games, and productivity tools) ("Content" and "Apps") for and with your compatible device. IWS is not responsible for Apps sold or otherwise provided by third parties, including download, installation, use, transmission failure, interruption, or delay, or any content or website you may be able to access through the App. Any support questions for these Apps should be directed to the third party seller identified at the point of purchase. When you use, download or install an App sold by a third party seller, you may be subject to license terms between you and the third party seller and App developer. When you use, download or install Content or Apps that you purchase from IWS, the Content or App is licensed to you by IWS and may be subject to additional license terms between you and the creator/owner of the Content or App. Any Content or App you purchase is licensed for personal, lawful, non-commercial use on your device only. You may not transfer, copy or reverse engineer any Content or App, or alter, disable or circumvent any digital rights management security features embedded in the Content or App. IWS is not responsible for any third party content or website you may be able to access using your Device. You may encounter advertisements from other entities ("Third Party Ads") while you are using IWS Email and Internet Services, browsing the Internet or using an application on your Device. IWS is not responsible for any Third Party Ads, or for any website or content that you may access by clicking on or following a link contained in a Third Party Ad. IWS may retain, use, and share information collected when you download, use, or install some Content or Apps, may update your IWS Content or App remotely, or may disable or remove any IWS Content or App at any time. We are not responsible for any transmission failure, interruption, or delay related to Content and Apps, or any content or website you may be able to access through the Content or App. d) **Right of Termination.** IWS retains their right, in its reasonable discretion, to terminate your Data Plan, in the event of violation of this Data Fair Use Policy.

27. **Web/Data Service.** IWS web/data service may allow you to access the internet, text, pictures, music, games, email, and related items. You are responsible for any content accessed

with your Service and through any line on your account. We cannot make any guarantees what content you may access on your Device. 29. Dispute Resolution and Arbitration. WE EACH AGREE THAT, EXCEPT AS PROVIDED BELOW, ANY AND ALL CLAIMS OR DISPUTES IN ANY WAY RELATED TO OR CONCERNING THE AGREEMENT, OUR SERVICES, DEVICES OR PRODUCTS, INCLUDING ANY BILLING DISPUTES, WILL BE RESOLVED BY BINDING ARBITRATION, ACCORDING TO THE RULES OF THE AMERICAN ARBITRATION ASSOCIATION, RATHER THAN IN COURT. This includes any claims against other parties relating to Services or Devices provided or billed to you (such as our suppliers, Dealers or third party vendors) whenever you also assert claims against us in the same proceeding. We each also agree that the Agreement affects interstate commerce so that the Federal Arbitration Act and federal arbitration law apply. For all disputes, you must first give us an opportunity to resolve your claim by sending a written description of your claim to the address in Section 35(f) below. We each agree to negotiate with each other in good faith about your claim. If we do not resolve the claim within 60 days after we receive this claim description, you may pursue your claim in arbitration. You may pursue your claim in a court only under the circumstances described below. We each agree that if you fail to timely pay amounts due, we may assign your account for collection, and the collection agency may pursue in court claims limited strictly to the

collection of the past due amounts and any interest or cost of collection permitted by law or the Agreement.

30. Class Action Waiver. WE EACH AGREE THAT ANY DISPUTE RESOLUTION PROCEEDING WILL BE CONDUCTED ONLY ON AN INDIVIDUAL BASIS AND NOT IN A CLASS OR REPRESENTATIVE ACTION OR AS A MEMBER IN A CLASS, CONSOLIDATED OR REPRESENTATIVE ACTION. If a court or arbitrator determines in an action between you and us that this waiver is unenforceable, the arbitration agreement will be void as to you. Neither you, nor any other customer can be a class representative, class member, or otherwise participate in a class, consolidated, or representative proceeding.

31. Jury Trial Waiver. If a claim proceeds in court rather than through arbitration, WE EACH WAIVE ANY RIGHT TO A JURY TRIAL.

Network coverage or environmental factors (such as structures, buildings, weather, geography, landscape, and topography) can

significantly impact the ability to access your Device's location information and use of location-sensitive services. You agree that any authorized user may access, use or authorize IWS or third party location sensitive applications through the Services. You understand that your use of such location sensitive applications is subject to the application's terms and conditions and policies, including its privacy policy. If you activate location sensitive services for Devices used by other authorized users, you agree to inform the authorized user(s) of the terms of use for location sensitive applications and that the Device may be located. For additional information on location-sensitive services, see our Privacy Policy at our website. h) Force Majeure. Neither Party shall be liable for any delay or failure to perform per the terms of this Agreement caused by Acts of God or other causes beyond the parties' control and without fault or negligence. In such event, either Party may suspend this Agreement in whole or in part for the duration of the delaying cause. Both parties shall resume performance under this Agreement immediately after the delaying cause ceases and the initial term of this Agreement shall be extended for a period of time equivalent to the length of time the excused delay occurred. i) Entire Agreement. This Agreement represents the final and entire agreement between you and IWS, and supersedes any prior or subsequent representation or agreement between the parties hereto. No change to this Agreement will be valid unless accepted in writing by a duly authorized officer of IWS. Our failure at any time to require strict performance by you of any of the provisions of this Agreement will not waive or reduce our right to thereafter require strict compliance with any provisions of this Agreement. j) Governing Laws and Regulations. This Agreement, its validity, construction, performance, and enforcement shall be governed by and construed in accordance with the laws of the State of Iowa and applicable federal law and the regulations of the Federal Communications Commission.
